Volunteer Register

If you have not put your name down to do a shift at the fete, we need you now!

There are still lots of spots to be filled and the fete really needs hands on deck on the day.

<http://www.jooners.com/guest?l=c6d9d15c-baae-4ca7-abb2-187a5d97eb90> (to get the link to work - copy into your browser. Search for the stall and time select the checkbox. And then enter your name and email address)

To run a successful fete we need volunteers for the day. At the moment we only have **60% of** spots filled. It only requires 2 hours of your time and if you have young ones who need looking after, bring them along or consider your partner or a friend. It is loads of fun and not hard work if we have the numbers we need.

The stalls most hanging out for help

- BBQ morning shift – selling and cooking.
- Washing up – quick shift of playing in water
- Mystery bottle – selling tickets on stall
- Side show alley – all day, watch the kids have fun
- Second hand toys and homewares – bargains galore
- Second hand clothing – afternoon sessions needs some help
- Lego classes – quiet creative space

DONATIONS

Mystery bottle; We need more bottles to make this fun. Please bring a bottle between the value of \$5-\$15 and hand directly to office staff.

Helens Harvest and Craft Stall; Can all still be brought into the office foyer area and left in their allocated boxes.

Cake donations; All kids will have come home this week with a plate, freezer bag, ingredients list and a note on how you can help out by baking something for the cake stall. Extra plates and bags can be collected from the office and if you have not received your items from your teacher please ask them.

Secondhand; Can still be brought to the school on Fete day and delivered directly to the stall Coordinator. Items must be in a saleable condition and ready to be sold then. We don't have any more room to store donations.

Poster Competition

Thanks to everyone who has sent in their poster pics they have been fantastic. The winners will be announced in the classrooms on Tue 10th March so make sure you get your poster pics in very soon! Entries can be seen on the Northcote Primary school fete Facebook page or search for #NPSfete on Instagram.

Working Bee

Gearing up for the final week of Fete preparations, expect to see a lot of activity going on at the school. The school council have arranged a Working Bee evening for Thursday 12th March. This is a great way to help out cleaning up the school before our big day and also an opportunity for parents to still help out who have other commitments on Fete Day. There is a list of jobs in the office foyer and details on what to bring.

More Fun at the FETE! Has everyone heard about our [AMAZING RACE](#) Northcote Primary style.

Find clues around the school, complete fun challenges and unscramble the code- all as fast as you can. It's the NPS Kids Amazing Race Challenge- are you up for the challenge? All racers to finish go in to a draw for a surprise prize to be pulled at Monday mornings assembly on the 16th March. A score card can be collected directly from the stall and returned there when finished. The Amazing Race is included in the wristband activities.

AUCTIONS

Now is the chance to get a sneak peek at what items are going to be auctioned off this year.
